Sir:

Applicant wishes to draw attention to the documents listed on the accompanying information disclosure statement. Copies of the documents other than U.S. patents are enclosed.

The documents listed in Form PTO-1449 were cited in the International Search Report. A copy of the International Search Report was included with the items that were filed at the time of entering the national stage. See MPEP 609.

Pursuant to MPEP 609, it is requested that the Examiner should initial the information disclosure statement to confirm that each document has been considered, and return a copy of the form to the undersigned with the first Office Action. The PAIR record for this application does not show that a first Office Action on the merits has been mailed.
